Scholastic Learn at Home: Free Resources for School Closures

<https://classroommagazines.scholastic.com/support/learnathome.html?caching>

These are 20-day courses made especially for children affected by school closures. They're suitable for all grade levels.

Google Arts and Culture

<https://artsandculture.google.com/partner>

Among many other cool educational programs, it offers virtual tours of over 500 of the world's most famous art galleries and museums, including the British Museum, the Guggenheim, Musée d'Orsay and many others.

Sir Ken Robinson. A very funny and very motivational speech about creativity

<https://www.youtube.com/watch?v=iG9CE55wbtY>

Logan LaPlante. A 13-year-old kid gives a great Ted Talk. Very inspiring for kids

<https://www.youtube.com/watch?v=h11u3vtcpaY>

Rita Pierson. This one is about what kids really need

<https://www.youtube.com/watch?v=SFnMTHhKdkw>

Ashuelot Concerts

https://www.youtube.com/channel/UCmKAU4_K7TkULfOwl3dhHYQ

It's a pair of musicians who tour schools, introducing school children to classical music. Since schools closed, they've started performing their concerts – live – for an online audience (Wednesdays and Saturdays). Their performances include explanations and analysis of the music.

Periodic Videos

<https://www.youtube.com/user/periodicvideos>

It's an eccentric university chemistry professor with crazy white hair. He makes videos about the elements of the periodic table, demonstrating their properties with spectacular experiments.

More to come...
